

# Wireless Door & Window Sensor

---

Model #: DSS-D026

## Technical Specifications

Model No.

DSS-D026

Door/Window Contact Transmitter virtually disappears when installed next to standard door/window transmitters. It is ideal for casement and double-hung windows. The Sensor provides a single zone of protection, and installs easily on doors or windows with the included mounting hardware or double-sided adhesive tape. Battery included

We reserve the right to modify product design and specification without notice and without incurring any obligation
